

AMYBETH LAROUCHE

STATE SENATE

Policy Positions

Economy and Cost of Living

- Deliver targeted tax relief for working families, seniors, and small businesses.
- Cut waste, improve efficiency, eliminate bloated spending, and enforce real fiscal responsibility.
- Support job growth to strengthen communities across all generations.

Housing and Affordability

- Incentivize mixed-use redevelopment of vacant commercial property into housing.
- Expand public-private partnerships to strengthen affordable housing options.
- Protect towns from mandates that strain infrastructure.

Childcare and Education

- Provide smarter childcare subsidies reflecting real work schedules.
- Expand vocational, technical, and trade programs.
- Improve classroom stability and student mental health support.

Environment and Infrastructure

- Create clean-energy incentives that reduce utility costs.
- Invest in climate-resilient infrastructure and reliable transportation.
- Balance environmental responsibility with economic growth.

Healthcare and Mental Health

- Reduce prescription drug costs through multi-state purchasing agreements.
- Expand mental health services in schools and communities.
- Strengthen provider networks for better access to care.

Civic Access and Trust

- Support secure early voting and accessible absentee ballots.
- Expand transparency and open government practices.
- Restore trust by ending insider politics.
